Paper III

Zikr

It is quite possible that the four serbas represent the four elements from their meanings and motions, although in a sense the first contains all. In another sense they represent the same principles as the four letters of the sacred name. They also represent:

1st Serb	1st Serba The Dec		Shariat	Law Obedience		Childhood
2nd Serba The Lord is God		ord is God Alon	e Tarikat	Path to Knowledge	Youth	
3rd Serba He is Ge		God	Hakeekat	Knowing the Truth	Maturity	
4th Serba He			Marefat	Being the Truth	Supern	nan
Symbols: We go from the circumference toward the center. The science and law of Growth in All Things.
