

**Seek God**

Om my son, my boy, my child,  
Seek God, seek God, seek God;  
Be not while on this earth defiled,  
Seek God, seek God, seek God.

I came to earth with but one aim:  
Seek God, seek God, seek God;  
Transcending since all form and nose;  
Seek God, seek God, seek God.

No human tongue can tell you why,  
Seek God, seek God, seek God;  
But in your heart, not in the sky  
Seek God, seek God, seek God.

This hidden tale is never told,  
Seek God, seek God, seek God;;  
Save in bright words of burnished gold,  
Seek God, seek God, seek God.

That which is the finest wealth  
You'll find, seek God, seek God;  
Beyond the prison of the self  
Seek God, seek God, seek God.

On earth, in heaven, above, below  
Seek God, seek God, seek God;  
No other thought or love I know:  
Seek God, seek God, seek God.

In time and in eternity  
Seek God, seek God, seek God;;  
Perceiving Him, you will find me,  
Seek God, seek God, seek God.

O be thou blessed in Royal Quest,  
Seek God, seek God, seek God;

From burdens He will give you rest,  
Seek God, seek God, seek God.
