

Greetings, friends!

A new online cherag training course will be starting in January 2018. If you or a murid or friend is interested in ordination as a cherag, or is perhaps already ordained and wanting to deepen in attunement and knowledge of the world's spiritual traditions, please let me know by email ([azima@zianet.com](mailto:azima@zianet.com)).

This is a two-year course, all online. The first year concentrates on attunement to and knowledge of the world's traditions, and the second year focuses on the development of leadership skills for interfaith ministry and for offering Universal Worship and Services of Universal Peace.

Wishing you all a bountiful harvest, whether from gardens or inner development.

Azima Lila Forest
